

Prof. Eugene P. Andrews [subject]
Cornell Univ.

Douglas, Arthur L.
[Ithaca, NY]

1929

Mr. Arthur L. Douglas, Jr.,
415 Stewart Avenue,
Ithaca, N. Y.

Dear Mr. Douglas:

Several years ago this Society arranged that Professor Andrews should receive, as a recognition as a recognition of the excellent work which his course offered to students at Cornell, the right to appoint for two years' paid-up membership in this Society that student in his class whom he considered best entitled to this selection. Professor Andrews has just communicated your name as the recipient of this membership for the years 1929 and 1930. May I explain that this appointment involves no obligation on your part, but that it entitles you to all the privileges of membership in our Society. You will receive our publications for the next two years, and if it is possible for you to visit our Museum we shall be glad to place at your disposal any of our collections. This you will understand is in the hope that the interest which your having taken Professor Andrews' course may have awakened will be continued, and that you will find in this interest some of the satisfaction which attracts our members to the pursuit.

If, at the end of two years, you care to continue as a member, you can then be enrolled as an Associate and the annual dues are but \$5.00.

Professor Andrews will be glad to explain to you any details which I have failed to make clear.

I hope you will give us the pleasure of greeting you when occasion offers.

Very sincerely yours,

Saturday, April 27, 1929.

Dear Mrs. Hale:

I have taken quite a while to answer your very kind letter informing me that Prof. Andrews had submitted my name for membership in the society and I wish to ask your pardon. As I told Prof. Andrews, I consider my appointment a high honor, and wish to thank you for your kindness. I shall take great pleasure in visiting the society's rooms and in receiving any of their literature which you may send me.

Very sincerely yours,
